To continue, type the characters you see in the picture. [Why?](#)

The picture contains 8 characters.

**Characters:**

**Continue**

# Superhuman intelligence would:

1. Cure cancer
2. Fix the climate
3. End poverty and hunger
4. Make us interplanetary

# OpenAI:

- *Will stop their work and assist other organizations if they get close to AGI first*
- *Has a cap on the returns so that money doesn't override safety*
- *Is owned by a nonprofit that can override other shareholders*
- *Biggest investor has no seat in the board*

We can't control our  
creations, just like  
we can't control our  
kids.
